

# KEY CLUB

**1 baby dies every 9 minutes from Tetanus**  
**160 babies die each day from Tetanus**  
**\$1.80 protects 1 mother and her future children**

- ▶ MNT is a deadly disease that steals the lives of nearly 60,000 innocent babies and a significant number of women each year
- ▶ This disease currently inhabits 38 countries
- ▶ MNT is highly preventable
- ▶ All it takes is three doses of a \$.60 immunization to protect mothers, who then pass on the immunity to their future children

**Our Club accepts the challenge to save lives!**
