

March of Dimes March for Babies

Thank you Key Club for joining March for Babies 2011!

The money you raise supports programs in your community that help moms have healthy, full-term pregnancies. And it funds research to find answers to the serious problems that threaten our babies. We've been walking since 1970 and have raised an incredible \$1.8 billion to benefit all babies.

Join us this April in your community, walking together for stronger, healthier babies.

Get involved:

- Have you walked before? Simply go to marchforbabies.org and sign in again with your username and password from last year! We have a handy password recovery tool if you've forgotten.
- New to March for Babies? Visit marchforbabies.org and select "start a team" and make sure you include Key Club and your high school name in your team title!

Start fundraising:

- Use our online tool to set up your teampage and invite all your Key Club members and friends to join your team.
- Send out emails! Use your personal fundraising link (marchforbabies.org/YourUserName) or send emails directly from marchforbabies.org
- Get our Facebook application & iPhone app (apps.facebook.com/modfacebookapp) and promote your March for Babies page to everyone!

Host events at your school! Use the ideas in our March for Babies guide at marchofdimesyouth.com or create your own unique events.
